# Connectix Product Descriptions

## Color QuickCam

Connectix Color QuickCam™ is the first low cost, digital color camera for your computer. Everything you need is in the box. Just plug it in and after a few minutes you're taking brilliant color pictures and making videos without additional interface cards or software add-ons.

## Grayscale QuickCam

Connectix QuickCam™ is the first affordable, easy-to-use digital video and still camera for the PC or Macintosh. QuickCam uses direct digital imaging to create grayscale movies and pictures.

## Connectix VideoPhone Software

Low cost videoconferencing, which includes a shared whiteboard. Requires a QuickCam or NTSC camera. Mac platform supports networks and ISDN connections only. Windows platform support 28.8 modem, networks and ISDN connections.

## Connectix QuickCards

Connectix QuickCards™ lets everyone create personalized electronic greeting cards that can be sent on diskette or vial email to friends, associates and family. Unlike traditional paper greetings cards, QuickCards are multimedia productions that play on a Mac or Windows-based computer.

## Connectix PhotoMate

Connectix PhotoMate™ is the easiest way to take, enhance, organize, and present pictures. It is the complete solution for users who don't need the complexity and hassle of learning expensive, high-end applications used by graphics professionals.

## RAM Doubler for Windows 3.1

RAM Doubler™ is software that makes your existing RAM work more efficiently. RAM Doubler's one step installation process takes only a few seconds. RAM Doubler works with a full range of popular hardware and software products.

## RAM Doubler for Macintosh

RAM Doubler™, the Eddy award winning Macintosh utility, gives you twice as much memory without the expense and hassle of adding SIMMs.

## Speed Doubler

Speed Doubler™ is software that automatically doubles the speed of Power Mac emulation, uses extra RAM to speed disk access, and improves Finder performance. Every Mac is faster with Speed Doubler - without the expense of a hardware upgrade.

## Agent 95

Agent 95™, the performance companion for Windows95. Agent 95 shows how much memory each application uses, including Windows 95 itself. Don't be in the dark about Windows 95 performance, get exact numbers in real time about applications and system memory. When memory, resources, or performance become low, Agent 95 responds with configurable on-screen alerts.
